**FQ : HOW TO RECEIVE YOUR VOUCHERS FROM THE FEDERAL KIOSK?
HERE'S A STEP-BY-STEP PROCESS**

* Locate A Coinstar Bitcoin ATM Kiosk For Federal Vouchers : Use the Coinstar website or app to find the nearest Bitcoin ATM location with Google map services. (Coinstar Bitcoin Federal kiosk near me)

- WHEN YOU'VE ARRIVED AT LOCAL APPROVED FEDERAL RETAILER® AND LOCATED THE COINSTAR KIOSK :

- 1) Select : "Buy Bitcoin" Option. NOTE :This is the only form of secured payment the U.S. Treasury has approved for placing Personal Recognizance Bond which is the Bitcoin B.T.C Vouchers.
- 2) Start the transaction by selecting the "Buy Bitcoin" option on the Kiosk's screen to get your B.T.C Currency Voucher.
- 3) Enter Verification Details : Follow the on-screen prompts to enter any required Verification details, which may include your 10-Digit U.S. Marshal Code Provided on Warrants/Citations or Your O.C.C Officer appointed to you, email, or License/ID depending on the machine's requirements and regulations.
- 4) Insert Cash : Insert the cash amount your PR's Federal 10% minimum requirement is to obtain your BTC Currency voucher. The machine will display the equivalent amount of the P.R./B.T.C Voucher you will receive upon completion of the Kiosk's requirements.
- 5) Confirm Transaction : Confirm the transaction to proceed with the requirements of your P.R. Bond's Demands for Completion. NOTE : The ATM will start processing your transaction. This may take a few minutes depending on network congestion.)
- 6) Transaction Completion : Once the transaction is confirmed, you'll receive a confirmation on the screen and a print out of the Federal Currency Voucher be sure to keep that on your person and protect the entire time of this process to make sure someone doesn't try and get the vouchers numbers or scan bar code.
