

## I don't have a computer

The court understands that not all prospective jurors have access to a computer. You may wish to use your local library's public computer terminals to access our website. The court also makes computers available to the public if it is convenient for you to visit us at our court location. However, if none of these options are available to you, and you require a paper copy of the questionnaires, please call toll free 1-844-868-6769.

### **IMPORTANT INSTRUCTIONS:**

- If your address is different than what is listed on the summons, please provide your new address.
- Paper questionnaires need to be completed and returned immediately.
- Please make sure that questions 10 and 11 are completed.

#### **Please note:**

Federal law requires you as a prospective juror to indicate your race and ethnicity. This answer is required solely to avoid discrimination in juror selection and has absolutely no bearing on qualifications for jury service. By answering this question you help the federal court check and observe the juror selection process so that discrimination does not occur. In this way, the federal court can fulfill the policy of the United States, which is to provide jurors who are randomly selected from a fair cross section of the community.
